

Barrier Free Bathrooms

Bathrooms are built with barriers. Design your custom bathroom to fit your lifestyle and improve your home today.

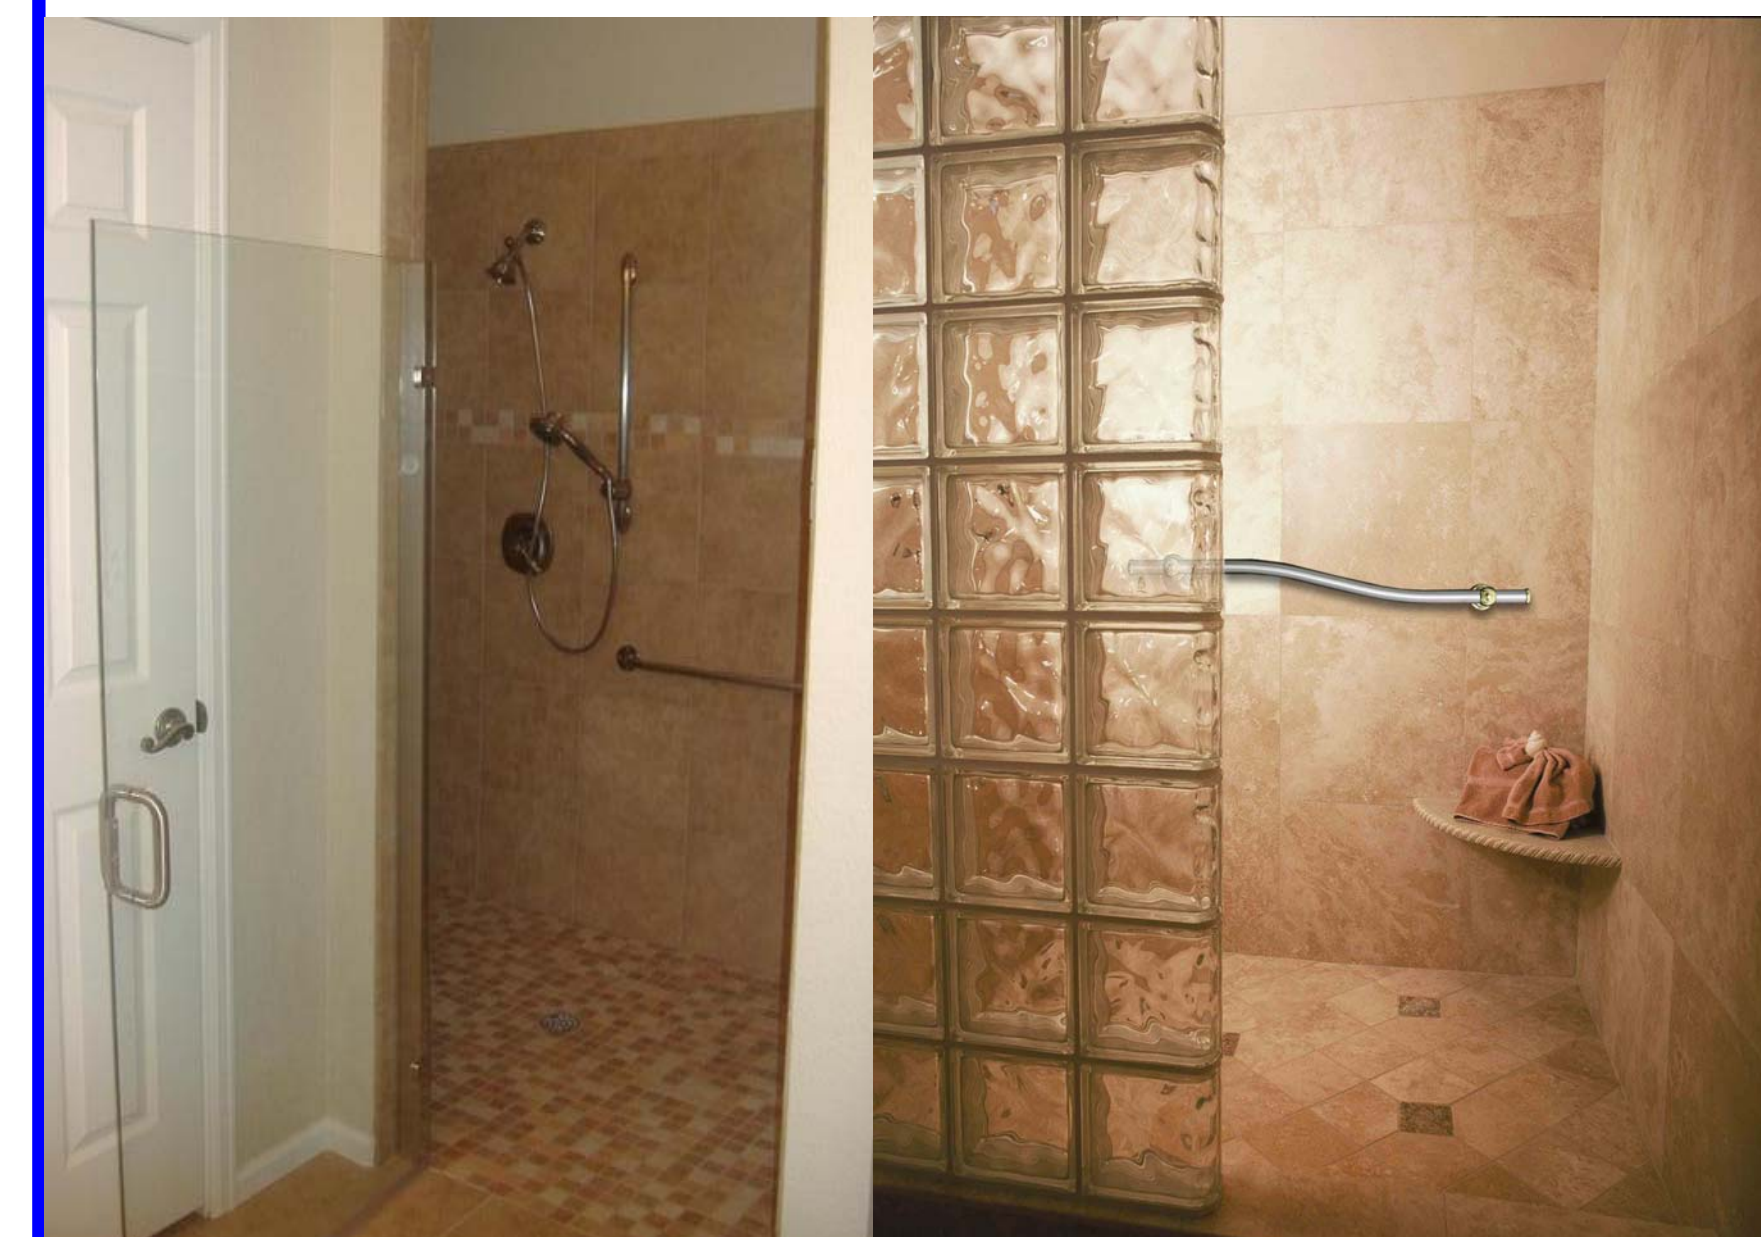

Shower Bases

Fiberglass

- 3 Sizes Available
- Less than 1.5 inches tall—floor can be installed up to the level of the base
- No Maintenance surface with wipe clean surface.
- Beautiful White Color with many options for matching walls.

Custom Tile

- Beautiful, Hand Crafted Tile Floor
- Durable Mud Pan Design
- Small Grout Lines reduce maintenance and make a long lasting shower base.
- Shower base is lower than the surrounding floor for perfect draining
- Custom Sizes included

MarbleCast

- Beautiful Solid Surface—no leaks, no maintenance, easy cleaning
- Can be installed without cutting the floor—perfect if there is a basement below or for 2nd floor bathroom
- Lower than the bathroom floor. Perfect pitch—No pooling
- Custom Sizes including many colors, finishes and options available
