BEYOND Limits:

Our theme for 2011 is Beyond Limits! We recognize that 89% of people want to live independently in their forever homes.

[Click here for the Living Well article](#)

Our client and referral community gives us the opportunity to look at ways we can continue to reach beyond our current limitations. Our mission at Accessible Systems is to help those see beyond their physical and financial limits through our unique solutions.

NEW Perspective:

Often the feeling of 'NEW' beckons opportunity, growth, and expansion. Looking forward in 2011 with a fresh and NEW perspective we reflect on a very important question:

What is possible in 2011?

Did you know that as of January 1st, 2011 the first baby boomer in America turned 65?

[Click here for Denver Post Article on Baby Boomers](#)

That translates to over 10,000 Americans turning 65 per day for the next 19 years. This expands the collective number of people we can help through our home mobility solutions. Our possibility in 2011...giving even more people the power of independence. Now that is expansive!

GREATITUDE

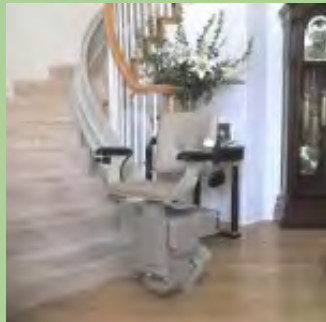

We created NEW language in 2011!

Custom, modular & portable ramps

Custom railings

Straight & Curved Stairlifts

Scooters

great + attitude = GREATITUDE
noun; a person with a great attitude of gratitude

We care about our referral & client partners and will be sharing stories of GREATITUDE every month in 2011!
