STORIES WITH GREATITUDE:

"I waited 12 years to roll into my shower and now I don't want to roll out!" Rachel Wilson

Watch the transformation of Rachel's bathroom and hear how the accessible modifications have created an inspiring attitude of gratitude, or in our homegrown term, GREATITUDE!

Rachel Wilson recently decided to modify her bathroom to accomodate 'his and her' needs. After living with a bathroom that was difficult to roll around and perform daily grooming activities she found Accessible Systems through friends and Craig Hospital.

MONTHLY PERSPECTIVE:

Freedom Comes in Many Forms

Many of us look forward to experiencing the freedom that fall brings. However, what can take away our feeling of freedom?

A fall could significantly limit your ability to remain healthy and self-sufficient, minimizing your freedom. Fortunately, falling does not have to be a part of getting older. And, despite being labeled "accidents," many falls are preventable. The month of September is fall prevention month so take a few minutes and learn some freedom saving techniques!
