

FAST INSTALLATION ON DELIVERY

Singlefold Ramp

Made of lightweight aluminum, the Singlefold Ramp is ideal for at home or on the go with its quick set up and easy-to-carry design.

- Ergonomically-designed handles allow you to carry it anywhere
- Features an extruded slip-resistant tread for superior traction
- Self-adjusting bottom transition plate makes for a smooth change to any surface
- Non-protruding hinge helps protect against pinching and ensures strength and stability
- 800 lbs weight capacity

Threshold Ramp

The Angled Entry Ramp is a free standing threshold solution made of high-strength aluminum that can be set up quickly to allow smooth ground-to-sill transitions.

- Ideal for entryways with doors that swing in and out, uneven surfaces, or single step rises
- Features an extruded slip-resistant tread for superior traction
- Independently adjustable legs with swivel feet allow for vertical adjustment ranging from 1-3/8 to 5-7/8 inches in height
- 700 lbs weight capacity

Angled Entry Mat

The Angled Entry Mat accommodates doorways inside and out, providing a smooth and safe entry or exit.

- Beveled edges allow cross-traffic access
- Made with 100% recycled rubber
- Available in three colors: black, storm gray, and hazelnut brown
- 850 lbs weight capacity

Share It Forward: Please Help Others Discover Accessibility

How hard was it for you to find Accessible Systems and your accessible home options? Most of our customers have a very difficult time finding accessible solutions for their home.

- Will you help your friends and family discover accessible options for their home?
- Will you share it forward to the people you know so they learn about their options to remain in the home they love?
- Will you share it forward by showing your home to your friends/visitors and in social media?

You will help others maintain their independence and freedom, prevent falls and injuries, and plan ahead to enjoy their home forever. Please give away this catalog or go to www.shareitforward.info to order a FREE catalog and help someone else.
